

Part 1: Ministry Worker Commitment & Sign-off

Provide this page to every perspective worker alongside the Policy & Procedure document.

Ministry Worker Agreement & Declarations

1. Personal Affirmation of Faith

- I openly profess Jesus Christ as my personal Lord and Saviour.
- I have read, understood, and completely affirm the ministry's **Statement of Faith**.
- I confirm that my lifestyle and daily walk reflect a genuine desire to honour God and live in accordance with Biblical purity (*1 Pet 1:16*).

2. Operational & Doctrinal Boundaries

- I understand that all roles in this ministry, including practical service like serving food, are distinct spiritual ministries that represent Jesus Christ to the community.
- I confirm that I do not hold to, promote, or maintain an active affiliation with any non-Christian religions, cults, or organisations that engage in syncretistic interfaith spiritual ministries.
- I agree to protect the unity of this ministry by refraining from divisive behaviours, including gossip, slander, and the promotion of false doctrines (*Titus 3:10, Rom 16:17*).

3. Submission to Pastoral Care & Accountability

- I acknowledge that the Leadership Team holds the final authority to evaluate and approve all workers.
- Should I encounter a season of severe spiritual oppression or moral struggle, I agree to step down from active service to prioritise my personal spiritual health needs.
- I will submit to the **Pastoral Pathway** of care, prayer, and discipleship if deemed necessary by leadership for my spiritual restoration (*Gal 6:1*).
